

Give the Gift of Local Climate Action

Do you have someone in your life who is passionate about making a difference?

Now's your chance to give the gift of local climate action!

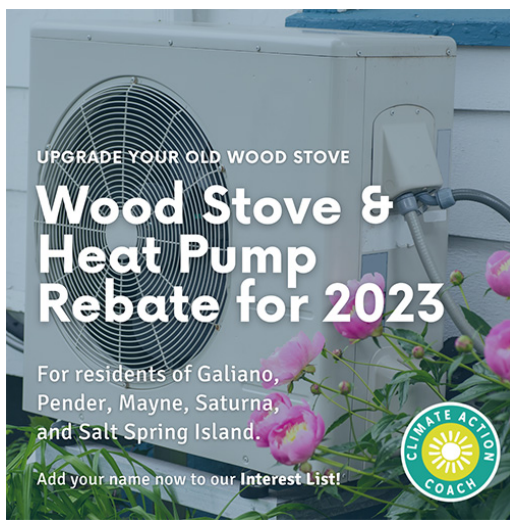

Make a tax-deductible donation in the name of your loved one, and we will mail them a personalized card to let them know you care.

Thank you for supporting us in this vital work!

Do you have an old wood stove?

Our Climate Action Coach program wants to help you clean up our community's air quality, and upgrading old stoves to new ones or replacing them with heat pumps is a great way to

do that.

Let us help you get there.

Join our 2023 Community Smoke Reduction Rebate Interest List to be notified when our rebate opens to the public. Any resident of Salt Spring, Galiano, Mayne, Pender, or Saturna with an existing older wood stove can sign up. We anticipate funds will be allocated quickly.

See Our Annual Report

If you missed our Annual General Meeting last week you can still watch the recording and find out what we've accomplished over the last year and what we've got planned for 2023.
